

Bluestar Adisseo Company

Clarification Announcement

The Board of Directors and all directors guarantee that this announcement does not contain any false statement, misleading presentation or material omission, and they assume personal and joint liability for the authenticity, accuracy and integrity of this announcement.

1. The Rumor from Media

According to some press release on Oct.14th, 2016, the government plans to merge ChemChina and Sinochem into one corporate. ChemChina is the actual controller of Bluestar Adisseo Company (“the Company”). The Company has attached much importance to this and verified this as soon as possible.

2. Clarification

The Company has confirmed with ChemChina that so far, ChemChina, Bluestar and the Company haven’t received any written document or any oral message from the government about the abovementioned information; and ChemChina, Bluestar and the Company have never expressed this kind of intention either to the government or to any enterprise.

All information that should be disclosed has already been disclosed by the Company.

3. Risk Warning

The Company reminds all investors that: *China Securities Journal*, *Shanghai Securities News*, and the SSE website (<http://www.sse.com.cn>) are the official media for the Company’s information disclosure. Please refer to the three media for all official information about the Company. Please be aware of the investment risks.

We hereby announce.
